### **NEW MALLALA WEBSITE [www.mallala.com](http://www.mallala.com)**

The Mallala Website has been re-vamped in a big way and should be a lot easier to move around. The Drift information still needs to be worked on, which will happen over the next few weeks.

If you click on the 'Practice' tab it will take you to a list of all of the drift practices for 2008.

So have a look at [www.mallala.com](http://www.mallala.com) (you might need to Refresh).

### **G1 EXTREME DRIFT ROUND 1 – 15<sup>th</sup> MARCH (Twilight)**

The G1 Extreme Drift competition returns again in '08 for more of SA's best drift action and Round 1 isn't too far away.

Entries for competitors open on 15<sup>th</sup> February and entry forms will be sent by email to people on our database as well as being available from the Mallala Website...and we won't be posting out entry forms anymore (old school). There is **no** price increase from last year.

**There are a few changes to the G1 format this year too;**

**Practice & Qualifying**

There will be a 1 hour warm up/practice session at 12.00pm (split into 2 groups).

At 1.50pm there will be another 30 minute practice session (with 2 groups), which will be followed immediately by Qualifying. This will include 5 x 20 minute qualifying sessions. Ideally there will be 10 cars on the circuit for each session (depending on the entry numbers).

Competitors nominating a Qualifying run will need to go to the left lane, with lights on. Non-qualifying runs will be from the right lane with lights off.

### **Introduction of a Group 3 Comp**

The Group 3 competition will be run on a trial basis during Round 1 of the G1 SA State Drifting Championship. It will provide extra track time for drivers who have not qualified for Group 1 or Group 2. Group 3 drivers will be able to compete in judged single runs. Points will be awarded, but there will not be trophies or cash prizes.

### **Start Procedure**

A second orange cone will be placed approximately 20 metres out from the Gordon's start line. Before commencing drift battles, both cars need to leave the start line at low speed reaching the cone at the same time, and then the lead car will pull away to start their battle.

Don't forget.....DA is back on Saturday 24<sup>th</sup> & Sunday 25<sup>th</sup> May
